

Leaving school and wondering what's next?

Train as an Accountant for a career that adds up

With over 120 years of experience, you could say we know our stuff! Since the 1890s, we've been growing and evolving, and now we're looking for passionate young people like you to help carry our expertise into the future and shape our business!

As part of our dynamic Audit or Accounts teams, you'll embark on an exciting and structured training programme where *we'll fully fund* your AAT qualification. But that's just the start! You'll gain real-world experience working with a diverse range of clients, helping you build practical skills and a deep understanding of how businesses truly operate. You'll also benefit from broader skills training designed to supercharge your development. **This is your chance to start a rewarding career and set yourself up for an incredible future!**

Here's what's in it for you:

- **Competitive Pay & Perks** – Earn a great salary to support your ambitions.
- **Kickstart Your Career** – Train with our expert team to achieve your qualification.
- **Time to Focus on You** – We provide financial support for your training, plus dedicated time off to prepare for your studies and exams.
- **Diverse Learning Opportunities** – Dive into accounts preparation, audit, and basic tax work, with full backing from our senior team to help you thrive.
- **Early Responsibility** – You'll start taking on real challenges early in your journey.
- **Results Deserve Rewards** – Benefit from performance-related pay reviews every six months.
- **Your Voice Matters** – Join employee forums and groups where you can influence positive changes within the firm.
- **Make a Difference** – Take advantage of paid volunteering time to give back to the causes you care about.
- **Fun & Wellbeing** – Enjoy an active social calendar, dedicated wellbeing support, and opportunities to connect with your colleagues in and out of work.

Your future in accountancy is about more than just numbers - it's about growth, development, and making an impact. Ready to start your journey with us?
